Giant Flowering Pacific Hybrid

DELPHINIUM

We Are The World's Largest Growers of Delphinium

This elegant strain is the standard for the highest quality in Delphinium throughout the world. The stately flower stalks, 3 to 5 feet tall, are profusely bloom-laden; individual florets are 2 to 3 inches across, many are double, semi-double, some single. Plants are resistant to mildew; stems are wiry and strong enough to withstand high winds. Ours are all strong, well-rooted plants that will bloom profusely in June, July and again in the fall.

CAMELIARD. Clear soft lavender with white bee. Perfectly formed, round florets average 3 inches in diameter. Spikes are well-balanced. Plant has excellent growing habits.

BLACK KNIGHT. Flowers are darkest violet, with black bee. Beautifully formed, 3-inch flowers; rich color and heavy velvety texture combine to make this a true show flower.

BLUE BIRD. Superbly tall spikes set with clearest medium-blue flowers with white bee. Nothing yet equals them for sheer beauty, vigor and quality! One of the best blues.

BLUE JAY. Intense shades from medium to dark blue, all with darker bee. Long, graceful spikes; large, perfect florets. An outstanding variety of remarkable color.

GALAHAD. Glistening pure white flowers with white bees. The finest in giant whites ever grown. Heavy textured, 3-inch florets carried on well-balanced spikes. Outstanding growth habits.

GUINEVERE. Light pink-lavender self with white bee. Beautifully formed flowers, averaging 3 inches across. Excellent branching habits. A choice exhibition variety.

KING ARTHUR. Rich, royal violet with large white bee. One of the most brilliantly colored Delphiniums. Florets are exquisite in form and velvety texture. Strong, woody plants.

SUMMER SKIES. As beautiful as the name indicates—light, clear blue of a summer sky, with white bee. Individual florets are large, well formed. A first-rate Delphinium.

Gaillardia

Tritoma

TRITOMA
(Red Hot Poker)

This spectacular plant with foliage resembling that of the Yucca, will make a brilliant display of color in the autumn garden. Strong, 24-inch stems are topped with a large, cone-shaped spike of dazzling orange. Use them generously to highlight your garden. They are exceptionally good for cutting too, because of their long-lasting qualities; very beautiful floral arrangements are possible when combined with other flowers. The plant is perfectly hardy and easily grown; does best in full sun. Makes an attractive foliage plant when not in bloom. Plant this spring for colorful autumn display. **Each 60¢; 3 for $1.25; 6 for $1.95, postpaid.**

ALL 2-YEAR FIELD-GROWN PLANTS

HELIANTHEMUM

(Sun Rose) MUTABILIS, MIXED. No plant is more beautiful or colorful for the rock garden or wherever a very low growing plant is desired. The multitude of brilliantly colored blooms add charm and beauty wherever used. Glossy green foliage remains attractive and green all season.

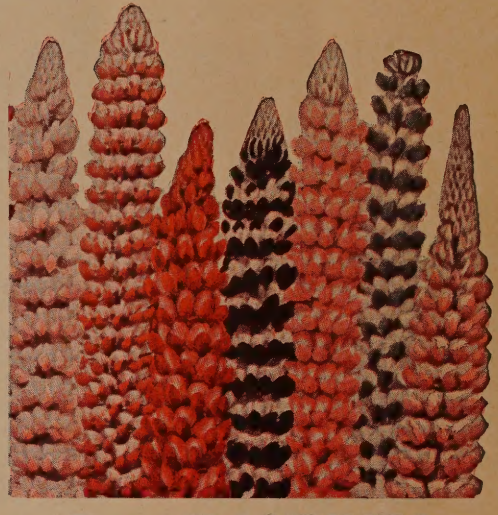
Beautiful hybrids of rose, white and yellow. Plants grow 6 to 10 inches high; bloom during May and June. Plant in full sun; in rock garden, on slopes, edging a walk or patio, or flower beds. Will thrive in ordinary garden soil. **Each 60¢; 3 for $1.25; 6 for $1.95, ppd.**

Evergreen BITTERSWEET

(Euonymus Radicans Vegetus). Very hardy, strong growing variety. Clings to brick or wood. Dark green, large, firm leaves last through winter and form an excellent background. Bears numerous clusters of large, reddish-orange berries which remain all winter. These are highly prized for winter bouquets. The plant is rapid growing and extremely hardy. Will thrive in sun or shade. Beautiful on big, old trees. Adaptable also as a ground cover for steep banks. Will transform a bare wall or fence into a thing of beauty the year round. **Each 85¢; 3 for $2.25, postpaid.**

Perennial SWEET PEA

(Lathyrus Latifolius). This lovely climbing form of Sweet Pea deserves to be planted more generally in this country. Blooms continuously from spring until fall. The colorful blossoms are fragrant; make dainty cut flowers. The plants flourish in any ordinary garden soil. Will quickly cover a trellis, fence or arbor. They make a most attractive background for the perennial border. Also fine for covering slopes. MIXED COLORS. **Each 60¢; 3 for $1.25; 6 for $1.95, ppd.**



Russell LUPINES

These stately perennials provide a glorious show of color during early summer. Exquisite pea-shaped flowers are closely spaced on 3 to 4-foot spikes. The colors range from white through lavender and pale blue to deep blue and purple; from pale yellow through salmon-pink, rose and apricot-buff to crimson. For a bold color effect, plant in groups of three or more. Given a sunny location and plenty of water during dry weather, they will bloom splendidly. **Each 60¢; 3 for $1.25; 6 for $1.95, postpaid.**

Giant Flowering CLEMATIS

Without doubt here is one of the most colorful and beautiful of all flowering vines. The large flowers of exquisite color and form add great charm and distinction to their surroundings, whether you grow them on trellis, porch, posts, fence or walls. We offer three outstanding varieties:

JACKMANI. The all-time favorite! Marvelous rich purple, 5-inch flowers in bloom from June to September. Very hardy.
